Dear Sir/Madam,

We have received several application forms from institutions that have completed the online enrolment process. Thank you for doing an exemplary job we are in the process of checking candidate information and will be assigning enrolment members in the coming weeks.

For those institutions that have faced technical problems in the online system, please note that we need an email with a screen shot of the technical issue. We will resolve the issue and notify you. We will be giving you one week to complete enrolment after your issue is resolved.
